## **EVERYONE CAN HELP AVOID SLIP AND FALL INJURIES**

### **KEEP THESE TIPS IN MIND**

- Always be aware of the area you are walking and working in.
- Ensure your boots or shoes have good tread to increase your traction.
- Check the ground before stepping off the truck, use the hand grips if appropriate.
- Anticipate slick surfaces such as oil, ice, snow or wet areas.
- Walk around slick surfaces when possible, if not possible, slow down and take smaller steps.
- Always keep your vision clear - look out for potential tripping hazards.

**SAFETY FIRST- YOU ARE OUR  
PRIORITY - EVERYONE GOES HOME  
THE WAY THEY CAME.**
